

Please read this entire document carefully before you apply!

Dear students,

below you can find information on **how to apply for an ERASMUS exchange in summer term 2023.**

You can **apply for the vacant spots using the following online application form:**

<https://erasmus.wiwi.rub.de/>

- please note that the only way of applying is using the online application form. We do not accept applications by email.
- in order to access the online application form, you have to login with your RUB login ID.
- please note that in the application form you will be able to select all of our ERASMUS-partners for your exchange preferences. However, obviously not all of them have free spots available. As such, please indicate only those partners in your preferences for which we still have vacant spots (see the list below). Indicated university preferences not listed below cannot be considered!
- we do not allocate the available places via 'first-come-first-served' principle. As such, for the success of your application it does not matter when you submit your application; you don't need to rush and submit your application as soon as possible - the important thing is to not miss the deadline.

Application deadline is April 30, 2022 11.59 pm.

- Late applications cannot be considered!

When applying for these ERASMUS-spots **please bear in mind that**

- the **period of your ERASMUS stay is definitely restricted to the summer semester 2023** only, i.e., you can neither apply for winter semester 202-23 nor for winter semester 2023-24!
- if your application is successful (i.e., we allocate you a place and you accept it), we will invite you to the "ERASMUS Outgoings WiWi" Moodle course, where you have access to detailed information material on the further procedure and how to prepare your exchange. **We expect you to inform yourself on your own with the provided material.** Of course, if you have further questions, you can contact us via email.

You can apply for vacant spots at the following ERASMUS-partner universities:

Bulgarien

Freie Universität Burgas [*Bulgarski Swoboden Uniwersitet*], Burgas (new)

Universität für National- und Weltwirtschaft [*Univeritet za nacionalno i svetovno stopanstvo*], Sofia (new)
