

The Chair for Entrepreneurship and Innovative Business Models (Prof. Dr. Stefanie Bröring), Center for Entrepreneurship, Innovation and Transformation (CEIT), Faculty of Management and Economics of the Ruhr-University Bochum, is looking for a

Student Assistant (8 hours/week)

starting from 1st April 2023.

Your tasks:

- Statistical analysis for large amounts of data (e.g. patent and publication analyses) to support ongoing research projects
- Programming tasks (e.g., network analysis, topic modelling, data pre-processing) in R and/or Python
- Support in organizational and administrative (IT) activities

Position requirements:

- Ability to work creatively and effectively both as a team member and independently
- Very good knowledge of spoken and written German and English
- Very good communication skills
- Experience in IT topics and programming, preferably experience with data analysis in R and/or Python
- Willingness to become familiar with new topics
- Very good knowledge in MS office (Word, Excel, PowerPoint)
- Availability to work at least 6 months at the chair

We offer:

- Collaboration in a young and motivated team with a passion for new technologies and entrepreneurship
- Pleasant and positive working atmosphere
- Active participation in current research projects in the field of sustainability transitions
- Long-term perspective as a student assistant

Job location:

O-Werk CEIT, Suttner-Nobel-Allee 4
